

Getting Ready for CAE

Introduction to the Cambridge Certificate in Advanced English (C1)

Time: Thursday, 9 February 2012, from 3.00 to 6.00 pm

Place: Landesinstitut für Pädagogik und Medien (LPM), Beethovenstraße 26, Saarbrücken

Presenter: Diane Oliver, Cambridge ESOL Presenter

Cambridge English examinations are designed to reflect an approach to language learning which motivates students to use their English in practical ways, developing “real-world” skills and building confidence through engagement with a range of increasingly challenging topics and situations.

Set at CEFR level C1, the Cambridge Certificate in Advanced English is widely recognised by employers and universities as fulfilling challenging English language requirements. The seminar will introduce participants to CAE, explore formats/task types it involves and the knowledge and skills they elicit, and show how classroom preparation can be of practical help.

Please register for the seminar at the Landesinstitut für Pädagogik und Medien Saarbrücken (E-Mail: CBubel@lpm.uni-sb.de). We look forward to your participation!
